Speaking program begins at 3:30pm

The Equal Rights Amendment was first introduced in Congress in 1923. Ninety-one years later we're still fighting to get women into the U.S. Constitution, the blueprint for how we want our republic to function.

Join us on **August 26<sup>th</sup>**, in celebration of the anniversary of the 19<sup>th</sup> Amendment, and demand that women and men be equal under the eyes of the law.

Congresswoman Speier has authored legislation, H.J. Res. 113 that advocates for the "three-state" approach – eliminating the timeline and gaining the ratification of three more states to pass the ERA once and for all.
